JOAN CRAWFORD TO BE HERE

Joan Crawford, who makes whoopee in a way that picture patrons like stars in "This Modern Age," which will run Saturday and Sunday at the Palace. The picture also features Pauline Frederick, a star of the silent film and Neil Hamilton.

The picture was adapted from the Mildred Cram novel, "Girls Together," and was directed by Nicholas Grinde. Joan Crawford is the mother instead of the daughter of whom the prospective is law disapproves, and the arrival of a host of uninvited friends in high spirits breaks up the family dinner and also puts a temporary finish to the engagement of Joan and Neil.

Hobart Bosworth and Emma Dunn are the sisters. Bosworth and Moore O'Shea is an excellent foil for Hamilton as a suitor for Joan. The picture is ultra-modern.

BILLIE DOVE IN NEW OHIO PICTURE

Billie Dove, ably assisted by Conway Tearle and Sidney Blackmer, stars in the current Ohio offering through Saturday, "The Lady Who Dared."

The star becomes interested in Tearle when she is neglected by her husband, Blackmer, who is an American vice consul at the South American city where the story is laid. Tearle, who poses as a famous big game hunter, is, in reality, a smuggler. The high-spot of the story comes when Tearle makes a great personal sacrifice to save Miss Dove from scandal. The cast includes Lloyd Ingraham and Judith Vosselli.

A short subject featuring Earle Sande, the famous jockey, a Ripley "Believe It or Not" feature and a newswheel complete the program.

PLAY FUN IN PRISON LIFE

The drabness is taken out of prison life for Stan Laurel and Oliver Hardy in "Prison Life," the feature picture at the Palace. The show is the first feature length production made by the comedy pair and is no disappointment to show fans.

The story opens with the pair going into the bootleg brewing business which lands them in prison after Laurel mistakes a policeman for a street car conductor and offers him a drink. The boys go to the prison school where their pranks eventually lead them to solitary confinement. Later they make their escape from the prison and find employment in a cotton field. The climax is reached when they are returned to prison and through their own stupidity they become heroes by quelling a prison riot. Hardy's loyalty to his friend, which compels him to accompany him to the dentist's office in the prison develops into one of the funniest situations of the picture.

Helen Twelvetrees in "A Woman of Experience," and the news weekly complete the bill. The picture will be shown for the last time tonight.

Many protests have been for-

"Objections have been raised,"
Hollingshead explained, "against

It was the depression rather

Memorial to President On Route of Sunday Tour

Central Ohio's most picturesque scenery and the tomb of William McKinley, the country's twenty-fifth president, lie on the route of a Sunday drive from Marion to Canton, O.

The entire trip can be made on well paved roads and without traveling far past the 200-mile mark.

Follow Route 30
The tourist will have no trouble with routes in the drive to Canton. Route 30 to the east will take the direct route to Canton by way of Gallon, Mansfield, Wooster and Massillon.

Route 30 enters Canton from the west on west Tuscarawas street. Just east of the Dutchman's Bend, which was the site of the battle of the memorial, the road turns left on the main highway which extends to the memorial entrance.

McKinley's memorial is rated as one of the most beautiful in the country. It was built at a cost of \$225,000 and dedicated in 1915. McKinley's former residence in Canton is still standing.

After visiting the memorial, motorists may find a slightly longer but much more interesting route home by following route 19 to the southwest out of Canton to Berlin, there striking route 39 which extends to the northwest to Loudonville.

At Loudonville turn sharply to the southwest on route 3 to the famous three Cs highway to Mt. Vernon, there striking route 65. Vernon there striking route 85 to Marion.

This route will bring tourists through a gently rolling country some of which is covered with woodlands. Good hotels and picnic grounds are available in and near cities along the route.

Cleveland Route
Motorists planning a trip to the national air races at Cleveland over the holiday are advised by the Marion Auto club to take one of two routes. One has four routes to Bucyrus and thence to the intersection with route 20. Route 20 may be followed east to Rocky River which is near the airport. Aerial maneuvers will be visible from Rocky River. The alternative route lies over route 30 to Gallon and Mansfield and route 42 from Mansfield to Cleveland.

Irish Chalk Up Second Series Win

CHARITY--THAT'S ALL, MOAN ELECTRICIANS AFTER 4-0 BUMPING

Appleggett Derricked in First After Wobbly Start: Gunder Skills Losers' Bats.

BY BOB KIRKPATRICK
Sports Editor, The Star
FUNNY ball players, these Irish. One day you can spot them a half dozen runs in the early innings and they'll toss it away in later frames. Other times you can give them a manager lead and they'll hang onto it.

Yesterday was one of those "other" days as far as the Irish were concerned. Perhaps I should say as far as the C. D. & M. Electric company was concerned. The Electricians were really the ones to be concerned about it inasmuch as they gave the Irish the four-run lead which enabled them to win their second consecutive Little World series softball game. The score was 4-0 for the Irish, all four runs coming as a direct result of big home runs on the part of the C. D. & M.

DON'T LOST LOOK
Hap Appleggett, starting Electrician here, gave credit for dominating the run to the Irish, although two of the latter were scored after he was derricked in the first inning. "Hap" lasted exactly one third of the first frame but in that time two runs had been scored against him, the bases were clogged, and he had three balls and no strikes on Tommy Anderson.

Manager Emory Simmons gave the high sign to Bob Gamble in left field to come to the relief at this time. Appleggett taking the left field post, Gamble immediately tossed the fourth ball to Anderson to force the third run across the plate. All this gentlemen, I remind you, before the second man was out in the first inning. It was awful, I tell you.

Johnnie Lusch then greeted Gamble with a lusty single into left field that scored O'Connell with the fourth run. As far as run making was concerned, the game was over right here. Neither team denied the plate again during the rest of the seven innings. Gamble ended the first inning agony by forcing Irvin to pop up weakly to Staley at short and then struck out Cliff Hogan.

Gus Gunder saw to it that the Electricians did nothing about stealing that four-run lead. The right hander of the Irish slipped them by C. D. & M. batters with rare form. He struck out only one man after the first inning but he had the rest hitting little pop flies or weak grounders most of the time. He was given some classy support by his team mates double plays twice checking possible rallies by the opposition.

Van Oss, utility C. D. & M. outfielder, was banished from the players' bench in the third by umpire Chalmers for disagreeing too loudly with decisions at the plate.

One couldn't ask for a better pitching job than Bob Gamble turned in after replacing Appleggett. Gamble gave up one hit in the first and then hurled no-hit ball the rest of the game. But it didn't do him any good. The Irish held a four-run advantage and his team mates couldn't do anything about overtaking this lead. Consequently Gamble's work goes into the records as wasted effort.

REDLEGS DOWN CUBS TO RUN WIN STREAK TO FOUR STRAIGHT

Carroll Outlasts Malone in Mound Duel; Cleveland Loses Season Opener.

BY GAYLE TALBOT
Associated Press Sports Writer

The boys smiled tolerantly not long ago when Col. Dan Howley, in one of his exclusive interviews, expressed the opinion that his Cincinnati Reds were the "best last place club the National league ever saw."

What the Colonel inferred was that he had a corking good team, but that it was up against the strongest opposition in the history of the circuit. From the manner in which his Red Legs have been knocking off the Chicago Cubs the last several days, it appears he knew what he was talking about.

They made it four straight yesterday when Owen Carroll outlasted Pat Malone in a 10-inning mound duel, 3 to 2.

The Reds' present winning streak is their second longest of the year. They captured five straight back in June, but their victims were the Phillies and Braves, not a first division club like the Cubs.

In the only other National league game played by the Reds, the Pittsburgh Pirates fell on Rubeen Grimes, himself, for a 5 to 4 triumph over the St. Louis Cardinals. The Pirates were led by young Tony Piet, rookie second baseman, who rapped two doubles and a single and scored twice.

Oscar Melillo cracked a double and three singles and drove in five runs as the St. Louis Browns took their opener from Cleveland, 11 to 3.

Scoring six times in the third frame, when they knocked Bob Weiland loose, the Detroit Tigers won a 9 to 3 score in their opener against the Chicago White Sox. Herring held the Sox to three hits the last six innings and received bangup support.

The league's four eastern clubs had an off day.

The Tri-county baseball league will stage a tournament Sunday, Sept. 6, on the Agosta diamond. Augusta, Essex, Richmond and Marshfield will compete. Games will start at 12:30 p. m.

QUIMET STILL HOLDS FAVORITE'S ROLE IN AMATEUR GOLF PLAY

Semi-Final Round on Today Over Rugged Beverly Layout.

BY PAUL MCKELSON
Associated Press Sports Writer

CHICAGO, Sept. 4.—"Old man" Francis Ouimet of Boston and three of the neighbors' children were still fighting it out among themselves today for the elusive national amateur golf championship at Beverly.

It was a field of strange contrasts. At 35 years Ouimet was the "old man" of the field. Aligned against him were three who were playing hide-go-seek, if anything, when he first boomed forth to win his National open crown 18 years ago—19-year-old Billy Howell of Richmond, Va., Maurice McCarthy, 24-year-old son of the New York professional, and 27-year-old Jack Westland of Chicago.

To make it stranger yet in the semi-final act of the big show today, Ouimet was matched against Howell, a youth half his age who was in the battle for the first time. McCarthy tackled Westland to complete the battle line.

Past performance and his wide edge on experience alone made Ouimet the favorite today and probably the big favorite of the survivors to smash his way through to the championship, which has been denied him thirteen times since he won it in 1914. Howell looked like a hard opponent without doubt because of his march through perhaps the strongest opposition of the field, but whether he could match Ouimet's comeback bid was doubtful.

Six times in the past nine years has the scholarly bespectacled Ouimet fought his way to the semifinals only to meet with defeat—three times falling before Bobby Jones himself. But Bobby was in the gallery today and Ouimet felt far more confident, naturally, recalling in the meantime that it was young Howell who dumped Johnny Goodman out of the title fight Wednesday, 2 to 1 in the first round fight.

Add Warren, whose boxing exploits have carried him up and down the ladder the past two years, will desert the ring temporarily to become boxing coach at the University of North Carolina.

Irish Chalk Up Second Series Win

CHARITY--THAT'S ALL, MOAN ELECTRICIANS AFTER 4-0 BUMPING

Applegott Derricked in First After Wobbly Start; Gunder Still Losers' Bats.

BY BOB KIRKPATRICK
Sports Editor, The Star
FUNDY ball players, these Irish. One day you can spot them a half dozen run lead in early innings and they'll lose it away in later frames. Other times you can give them a meager lead and they'll hang onto it.

Yesterday was one of those "other" days as far as the Irish were concerned. Perhaps I should say as far as the C. D. & M. Electric company was concerned. The Electricians were really the ones to be concerned about it inasmuch as they gave the Irish the four-run lead which enabled them to win their second consecutive Little World series softball game. The score was 4-0 for the Irish, all four runs coming as a direct result of big home runs on the part of the C. D. & M.

DIDN'T LAST LONG
Hap Applegott, starting Electrician hurler, seemed to be dominating the runs to the Irish, although two of the tallies were scored after he was derricked in the first inning. "Hap" started exactly one third of the first frame but in that time two runs had been scored against him, the bases were clogged, and he had three balls and no strikes on Tommy Anderson.

Manager Emory Simkins gave the high sign to Bob Gunder in left field to come to the relief at this time. Applegott taking the left field post. Gunder immediately tossed the fourth ball to Anderson to force the third run across the plate. All this gentleman, I remind you, before the second man was out in the first inning. It was awful, I tell you.

Johnnie Lusch then greeted Gunder with a lousy single into left field that scored O'Connell with the fourth run. As far as run making was concerned, the game was over right there. Neither team denied the plate again during the rest of the seven innings. Gunder ended the first inning agony by forcing Irvin to pop up weakly to Staley at short and then struck out Cliff Hogan.

Genn Gunder saw to it that the Electricians did nothing about stealing that four-run lead. The big right hander of the Irish flipped them by C. D. & M. batters with rare form. He struck out only one man after the first inning but he had the rest hitting little pop flies or weak grounders most of the time. He was given some classy support by his team mates, double plays twice checking possible rallies by the opposition.

REDLEGS DOWN CUBS TO RUN WIN STREAK TO FOUR STRAIGHT

Carroll Outlasts Malone in Mound Duel; Cleveland Loses Season Opener.

BY GAYLE TALBOT
Associated Press Sports Writer

The boys smiled tolerantly not long ago when Col. Dan Howley, in one of his exclusive interviews, expressed the opinion that his Cincinnati Reds were the "best last place club in the National league ever seen."

What the Colonel inferred was that he had a corking good team, but that it was up against the strongest opposition in the history of the circuit. From the manner in which his Red Legs have been knocking off the Chicago Cubs the last several days, it appears he knew what he was talking about.

They made it four straight yesterday when Owen Carroll outlasted Pat Malone in a 10-inning mound duel, 3 to 2.

The Reds present winning streak to their second longest of the year. They captured five straight back in June, but their victims were the Phillies and Braves, not a first division club like the Cubs.

In the only other National league game spared by the rain, the Pittsburgh Pirates fell on Barleigh Grimes, himself, for a 4 to 1 triumph over the St. Louis Cardinals. The Pirates were led by young Tony Piet, rookie second baseman, who rapped two doubles and a single and scored twice.

Oscar Melillo cracked a double and three singles and drove in five runs as the St. Louis Browns took their opener from Cleveland, 11 to 8.

Scoring six times in the third frame, when they knocked Bob Weiland loose, the Detroit Tigers ran up against the Chicago White Sox. Herring held the Sox to three hits, the last six innings and received bangup support.

The league's four eastern clubs had an off day.

QUIMET STILL HOLDS FAVORITE'S ROLE IN AMATEUR GOLF PLAY

Semi-Final Round on Today Over Rugged Beverly Layout.

BY PAUL NICKELSON
Associated Press Sports Writer

Francis Quimet of Boston and three of the neighbors' children were still fighting it out among themselves today for the elusive national amateur golf championship at Beverly.

It was a field of strange contrasts. At 35 years Quimet was the "old man" of the field. Aligned against him were three who were playing hide-go-seek, if anything, when he first boomed forth to win his National open crown 18 years ago—19-year-old Billy Howell of Richmond, Va., Maurice McCarthy, 24-year-old son of the New York professional, and 27-year-old Jack Westland of Chicago.

To make it stranger yet in the semi-final act of the big show today, Quimet was matched against Howell, a youth half his age who was in the battle for the first time. McCarthy tackled Westland to complete the battle line.

Past performance and his wide range on experience alone made Quimet the favorite today and probably the big favorite of the survivors to smash his way through to the championship, which has been denied him thirteen times since he won it in 1916.

Howell looked like a hard opponent without doubt because of his march through perhaps the strongest opposition of the field, but whether he could match Quimet's comeback bid was doubtful.

Six times in the past nine years has the scotchy bespectacled Quimet fought his way to the semifinals only to meet with defeat—three times falling before Bobby Jones himself. But Bobby was in the gallery today and Quimet felt far more confident, naturally, recalling the headlines that it was young Howell who dumped Johnny Goodman out of the title fight Wednesday, 2 to 1 in the first round fight.

Add Warren, whose boxing exploits have carried him up and down the ladder the past two years, will desert the ring temporarily to become boxing coach at the University of North Carolina.

"LET'S BE FAIR"

Perhaps you don't know that retail coal dealers have to pay for their coal within thirty days, and also the freight bill, which is a large item in the cost of coal, has to be paid upon delivery.

In all fairness, don't you think you ought to settle up that coal bill NOW?

And—lest you forget—no coal will be sold on credit if you have an unpaid coal bill with any dealer in Marion.

OSTEOPATHS AT MEET HERE

Head of Delaware Springs Sanitarium Is Speaker at Meeting of Society.

Hospitals in various parts of the country are opening their doors to osteopaths in response to a public demand, and physicians, surgeons and osteopaths are working side by side in the interests of health. Dr. L. A. Burnstead, superintendent of the Delaware Springs Sanitarium, told members of the Central Ohio Osteopathic society at a monthly meeting in the Hotel Harding ball room.

Pointing to the Delaware Springs sanitarium operated by osteopaths in conjunction with Jane Chase hospital, which is in charge of nursing and a medical staff, Dr. Burnstead declared that harmonious relationship in practice between osteopaths and members of the medical profession can be recommended.

Dr. Burnstead took up various phases of the operation of the sanitarium, and traced the history of the institution to its founding in 1916. Following brief remarks from various osteopaths present from Marion, Delaware, Columbus and other cities comprising the central Ohio society, Dr. M. A. Brandon of Lorain gave a discussion and held a clinic on hernia.

Dr. E. K. Clark of Marion presided. It was decided to hold the next monthly meeting of the society in Newark. Dr. Clark will be the principal speaker at this meeting.

Thirty persons were present at last night's meeting.

MARION MAN IS NOW LIKE NEW

Well known local citizen says he was "kicked" at the great results derived from TON GEE.

Among those who are strongly endorsing TON GEE probably none is better known than Mr. Walter R. Pickering of Marion. Mr. Pickering is a pipe operator and has lived in Marion for many years.

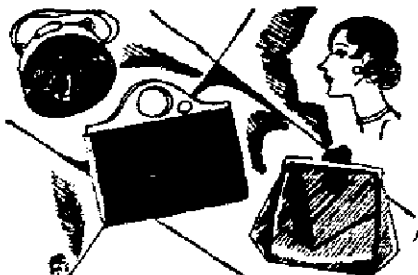

MR. WALTER R. PICKERING
567 Wood St., Marion, Ohio

"I never saw anything like TON GEE," reads Mr. Pickering's statement. "I am feeling almost like a new man since I got this medicine. Since 1915 I had been almost a health wreck. My kidneys caused me great trouble. I had to get out of bed 5 or 6 times each night. I felt so stiff and aches all over my body that it hurt me to walk, and especially in the morning. I could hardly get up out of bed. I was subject to dizzy spells and black spots would appear before my eyes. My liver was sluggish and I was forced to take laxatives all the time for constipation. It seems like my entire system was full of poison and my whole body was a solid mass of aches and pains."

"That was exactly my condition before taking TON GEE. Now, however, everything is different. I don't have dizzy spells any more, my kidneys are acting fine and I don't have to get up at night, but instead, I can sleep right through, and in the morning I feel fine. My whole system has been relieved of misery and I certainly feel fine. After the wonderful work of TON GEE in my case, I am glad to recommend this medicine to the public."

You too can have this wonderful new feeling if you give TON GEE a fair trial. TON GEE is sold in Marion at STUMP & SONS DRUG STORE.—Adv.

PLANES IN SPEED RACE ACROSS U. S.

Field of Eight Crack Fliers in Dash from California to Cleveland.

Continued from Page One
Despite physician's orders, he had broken his legs in a fall on a roof. Eight of the fastest airplanes in the world piloted by eight of the nation's star aviators were in the race to Cleveland airport.

Get Early Start
The California fliers headed by Les Reichers in a Lockheed Air-Cyclone plane started taking off at 4:20 Eastern Standard time. Reichers was followed in order at brief intervals by Walter B. Hunter of Sparks, Ill.; Capt. Ira Eaker of Washington; Harold S. Johnson of Chicago; Beeler Blevins of Atlanta; James Doolittle of St. Louis; James Goodwin Hall of New York and Art Goebel of Los Angeles.

Their race to Cleveland was for the Bendix trophy and \$15,000 in prizes including \$10,000 to the winner. It is the second heat of a series of races to New York of 15 hours and 25 minutes. The takeoffs at Burbank near Los Angeles were without accident although Doolittle's former army speed car and stunt flier gave the crowd a thrill when he opened wide the throttle of his distinctive plane and leaped across the field. His plane has a reported maximum speed of 300 miles an hour.

In order to participate in the prize division the fliers must obtain the finish time here by 7 p. m.

At the same time four women and 10 men—aviators of the air who plot their own planes simply for fun—were streaking through the skies in a westward race from New York to Cleveland.

Bayles set for Test
Lowell Bayles of Springfield Mass., the speed demon of the state so far announced he would attempt to shatter the world record for land planes tomorrow.

Bayles will fly a three kilometer straightaway course (1.87 miles) four times in accordance with the rules of the Federation Aeronautique Internationale.

To set a new record Bayles must exceed the present mark of 278.16 miles an hour made by the late Adjutant Bonnet of France in 1926 by 4.97 miles an hour.

TWO MEN INJURED
Parachute Jumpers Disturbed by Wind, Races Delayed by Rain.

By The Associated Press
CLEVELAND, O., Sept. 4.—A sudden wind and rain storm which forced a delay of today's national air race caused accidents in which two parachute jumpers were injured at the Cleveland airport.

John F. Wickham of Cincinnati suffered a broken right leg and Bud Rhodes of Little Rock Ark. a sprained back. Wickham and Rhodes had jumped from planes at an altitude of about 1,500 feet. When only a few feet from the ground a gust of wind struck their parachutes and caused them to hit the ground with force.

The Cincinnati jumper fell in the center of the circle where he had been trying to land in front of the grandstand. Rhodes landed in a mud puddle not far away. Both of them were taken to a hospital.

A heavy rain which started falling shortly before dawn caused postponement of the opening program until late in the afternoon.

IT MIGHT BE ANY ONE OF US!

"An American Tragedy" is
just what the name implies.
It didn't happen to imaginary
people, it is a true story. It
might have happened to you,
or the boy across the street,
or the girl next door.

It is a life as you might have
lived it! And in it you can feel
the throb of your heart... the
ecstasy of your first kiss...
and taste the salt of the
world's tears.
